

PRECISION UNDER PRESSURE.

GUARDIAN ENSURES COMPLIANCE FOR A TECH GIANT IN **48 HOURS**.

PROJECT IN ACTION

In response to an unexpected 48-hour audit window, Guardian mobilized multi-site teams to securely decommission and dispose of sensitive IT assets across three data centers. Our precision, speed, and compliance expertise ensured the client met their regulatory deadline—avoiding significant penalties and risk.

RAPID DEPLOYMENT

Mobilized multi-site ITAD teams instantly.

PRECISE EXECUTION

Delivered under extreme time pressure.

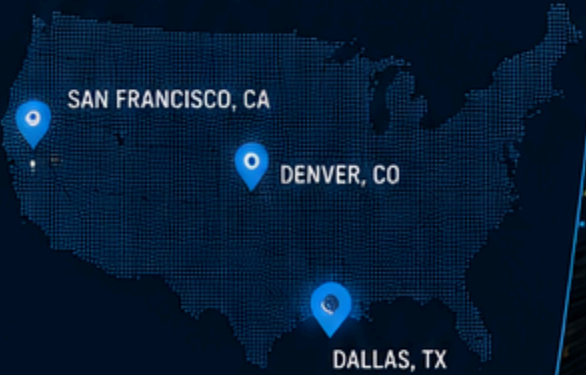

COMPLETE COMPLIANCE

Met every requirement. No exceptions.

ONE DEADLINE. ZERO ROOM FOR ERROR.

THREE DATA CENTERS. ONE MISSION.

Synchronized teams. Unified process. Consistent results.

SYNCHRONIZED TEAMS

Coordinated execution across all locations.

SECURE DATA DESTRUCTION

Certified destruction with full chain of custody.

CERTIFIED. SECURE. COMPLIANT.

End-to-end compliance you can count on.
